REGION 7 RCRIS FACT SHEET # H-1

Module: Handler

Date of Issue/Last Revision: 9/15/93

Subject: **Facility Location**

The facility location, or location of installation, is provided in Item Number III. on EPA Form 8700-12 (9-92), Notification of Regulated Waste Activity. The facility location must be described as a physical address, not a post office box or route number. The facility location must be adequate to define a specific location.

Examples of unacceptable facility locations are:

- (a) P O Box 123;
- (b) R R 3;
- (c) Highway 34 East;
- (d) East side of town.

Examples of acceptable facility locations are:

- (a) 123 Main St;
- (b) 1/4 mi E of Hwy 34 on Hwy 40, south side;
- (c) Black St at White Ave, nw corner.

Unacceptably unspecific facility locations will not be entered into RCRIS. In the event that an unacceptably unspecific facility location is submitted on a notification form, the facility will be contacted by telephone and adequately specific facility location information will be obtained. This information, its source, and the date it was obtained, will be written on the RCRIS data entry copy of the notification form, and will be entered into RCRIS as the facility location (Handler Module, Field Names: HLOCSTRT1(LSTREET1) and HLOCSTRT2(LSTREET2), 30 alphanumeric character fields each.)
